A Gathering of WTIC and WKIC in Taiwan

WCI's new Sister Club, Welcome to Korea International Club, was established on September 2, 2016, in Seoul, South Korea. The club's President, Dr. Kim — the president of International Council of Women (ICW) — at the same time with the other 15 WKIC members, attended ICW's Conference in Taipei, November 12-17.

Board Members of Welcome to Taipei International Club, led by President Lily Chiu, invited WKIC members to a Welcome Dinner Party at Din Tai Fong, one of the most famous restaurants in Taiwan. During the gathering, we were chatting, singing, and getting to know each other.

A gift exchange proceeded, including hand-painted fans made by WTIC member Melody Young.

The friendship between the two clubs has been fostered deeply. We expect to meet again in the near future!
