The founding General Assembly of Welcome To Korea International Club (WKIC) was held on the 2nd of September, 2016, at the National Press Club in Seoul, Republic of Korea.

The event was a great success. Celebratory speeches were given by many NGO women in leadership and VIPs, including the Minister of Gender Equality ROK, and the Congresswomen in Charge of Women's, Cultural and Foreign Affairs.

The congratulatory message from WCI's President, Maria Fernanda Arduino, was read to our audience of approximately 120 members. We thank her for her kind words of encouragement.

At the General Assembly, the Club's Constitution was passed, Board Members including the President were elected, and the budget, programs and activities for the year of 2016 were determined. The first Board of Directors' meeting was conducted on the 5th of September. The Board determined to launch the Club's inaugural activity for all WKIC members on the 24th of October this year, which will be an observation visit to historical heritages.
